

Re-Shafting & Re-Gripping Policies

We guarantee the work and the components when all of the components are purchased through us.

We will make every effort to remove the existing shaft so that it may be reused. We cannot guarantee that the shaft will be reusable. We do not recommend reusing a shaft.

If you want to reuse your existing grip, we will attempt to “save” it for reuse. We do not guarantee that the grip will be reusable. We do not recommend reusing a grip.

We do not guarantee the re-shaft or re-grip jobs if we use a shaft or grip that is supplied by the customer.

*At Eagle Golf Clubs, Ltd. we care about our environment.
We re-cycle used grips.
We use non-flammable solvents that are friendly to the environment*
